

How you can assist – donations

Your tax deductible donation can make a lasting difference in someone's life.

We believe that older people, people with disability and carers shouldn't need to rely on donations for their day-to-day needs. But that doesn't mean we still don't need your help! When you make a donation to us, you can choose to donate to the wider organisation, or to donate to our Realising A Dream Fund.

How your donations help

Our Realising A Dream fund provides grants directly to clients to help fund one-off items and services. From Cochlear Aqua accessories to help a child swim, to a simple new suit bought so someone could attend their graduation, to help for someone to stay connected in their community, the Realising a Dream fund makes a real difference in people's lives.

If you choose to donate to the organisation, your contribution helps fund innovation and improvements including research, and new pilot programs. This helps the community you live in, making a 'good like for all' in Australia.

Donating online

If you would like to make a donation by debit or credit card, you can donate online today. This will take you to an external site that is underwritten by the Westpac Bank of Australia. Wills and Bequests

By making a gift to UnitingCare lifeAssist in your will you can help ensure that our staff are able to continue supporting the wider community. Your gift can make a lasting contribution in the lives of some of our most vulnerable community members.

Memorial Bequest Envelopes

It is quite common today at funerals that families request donations to charity be made in the name of the departed loved one, rather than bringing flowers. lifeAssist has Memorial Bequest Envelopes available just for this purpose. Contact us if you would like a number of these.
